MISS RUTH DICKER

MR. WALLACE NYMAN

Just as college football has its "Big Ten" and all rock 'n' roll music stations have their "Top Ten Tunes" and the world has its "Ten Best-Dressed Women" so we here at Hawthorne have our ten well-known personalities who deserve special acclaim. These are the ten members of the original faculty at Hawthorne High School who are still, ten years later, teaching, counseling, or handling administrative matters on our campus. They are Mr. George Barton, Mr. Dave Capelouto, Mr. Hal Chauncey, Miss Ruth Dicker, Mr. Pete Elmore, Mr. Ray Garza, Mr. Bill Goodfellow, Miss Lila Heller, Mrs. Jeanette Jensen, and Mr. Wallace Nyman. Undoubtedly, they have many memories, both good and bad, of those first few days and years.

Moving day, January 2, 1952, dawned cold and gray. As a consequence, Mr. Nyman and Miss Dicker spent most of their time trying to provide some means of heat for the five buildings then constructed. The heating plant had not been completed.

Shortly after this notorious day, came the rainy season and a gigantic sea of mud. Teachers and students alike cooperated in saving floors by leaving their shoes at the door when entering a room. Miss Heller and Mrs. Jensen became particularly adept at "puddle jumping."

Parents were not excluded from the moving problem, so the PTA set out on a membership campaign. At one

meeting a faculty fashion show was presented with the well-known "models" Mr. Chauncey and Mr. Capelouto showing the latest in ballerina costumes.

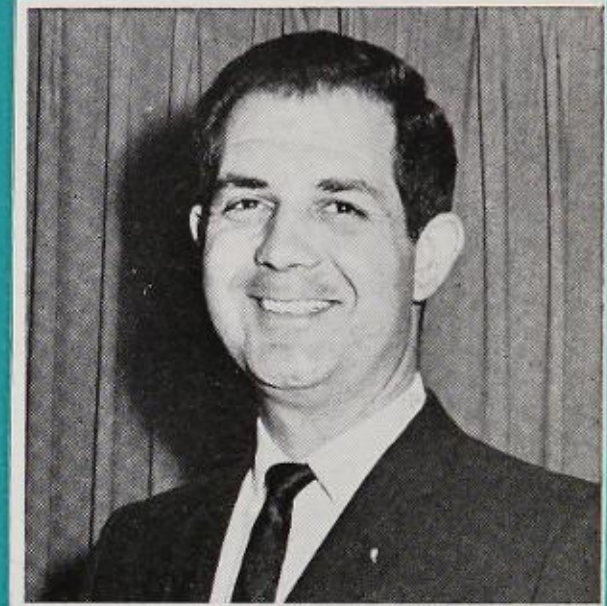

Spring came and with it came track season. Mr. Barton won the honors of coaching the trackmen. The squad practiced each day in the area now occupied by buildings 17, 19, 20, 21, 22. Spring brought something else to many Cougars and that was the idea of "beautifying" the campus. All classes were dispensed with for a "work day" under the direction of Mr. Elmore. Trees and shrubs were planted, benches made, and coats of paint applied where needed. It was on this day that Senior Square was founded. Leading the senior class to its goal was Mr. Goodfellow. The end of the day finally came and Mr. Elmore came into the picture with his saxophone in hand to provide a little entertainment.

While money is always a problem, it was especially evident by its nonexistence in a scholarship fund. The District Teachers' Association gave a variety show which was highlighted by the piano artistry of Mr. Garza, to raise funds for this much-appreciated cause.

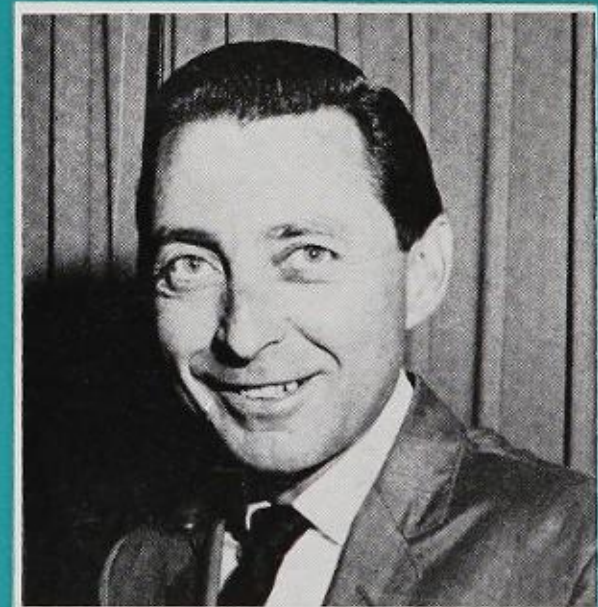

And so the year came to an end and with it must come the end of our reminiscing and the end of our dedication. It is to you, Hawthorne's "Original Ten," that the El Molino staff of 1962 would like to dedicate this annual.

JAMES MITCHELL

The **El Molino** staff of 1962 would like to extend a tribute to two wonderful gentlemen. Both were outstanding in every regard, and the amount of time and energy they have given for the benefit of the community is incalculable. More personally, however, they may be best remembered as the fathers of three outstanding members of the Hawthorne High Student Body—Seniors John Mitchell and Dan McCammon and Sophomore Beth McCammon.

James Mitchell will always be thought of with great affection for his generous, selfless service to the community.

He is remembered for his exemplary work as a member of our district's Board of Trustees, on which he served from 1948 to the time of his death, holding the office of president for three terms.

Remembered with equal regard are the twelve years of service he gave to the Wiseburn School Board, serving as president for two terms.

He is remembered for his active interest in a variety of youth programs, working briefly with the Little League and pioneering the establishment of a Middle League, only the second of its kind in the entire nation.

OLIVER McCAMMON

Oliver McCammon gave his all for the youth of the community. He will be remembered by them as the man who made many impossible things possible for them.

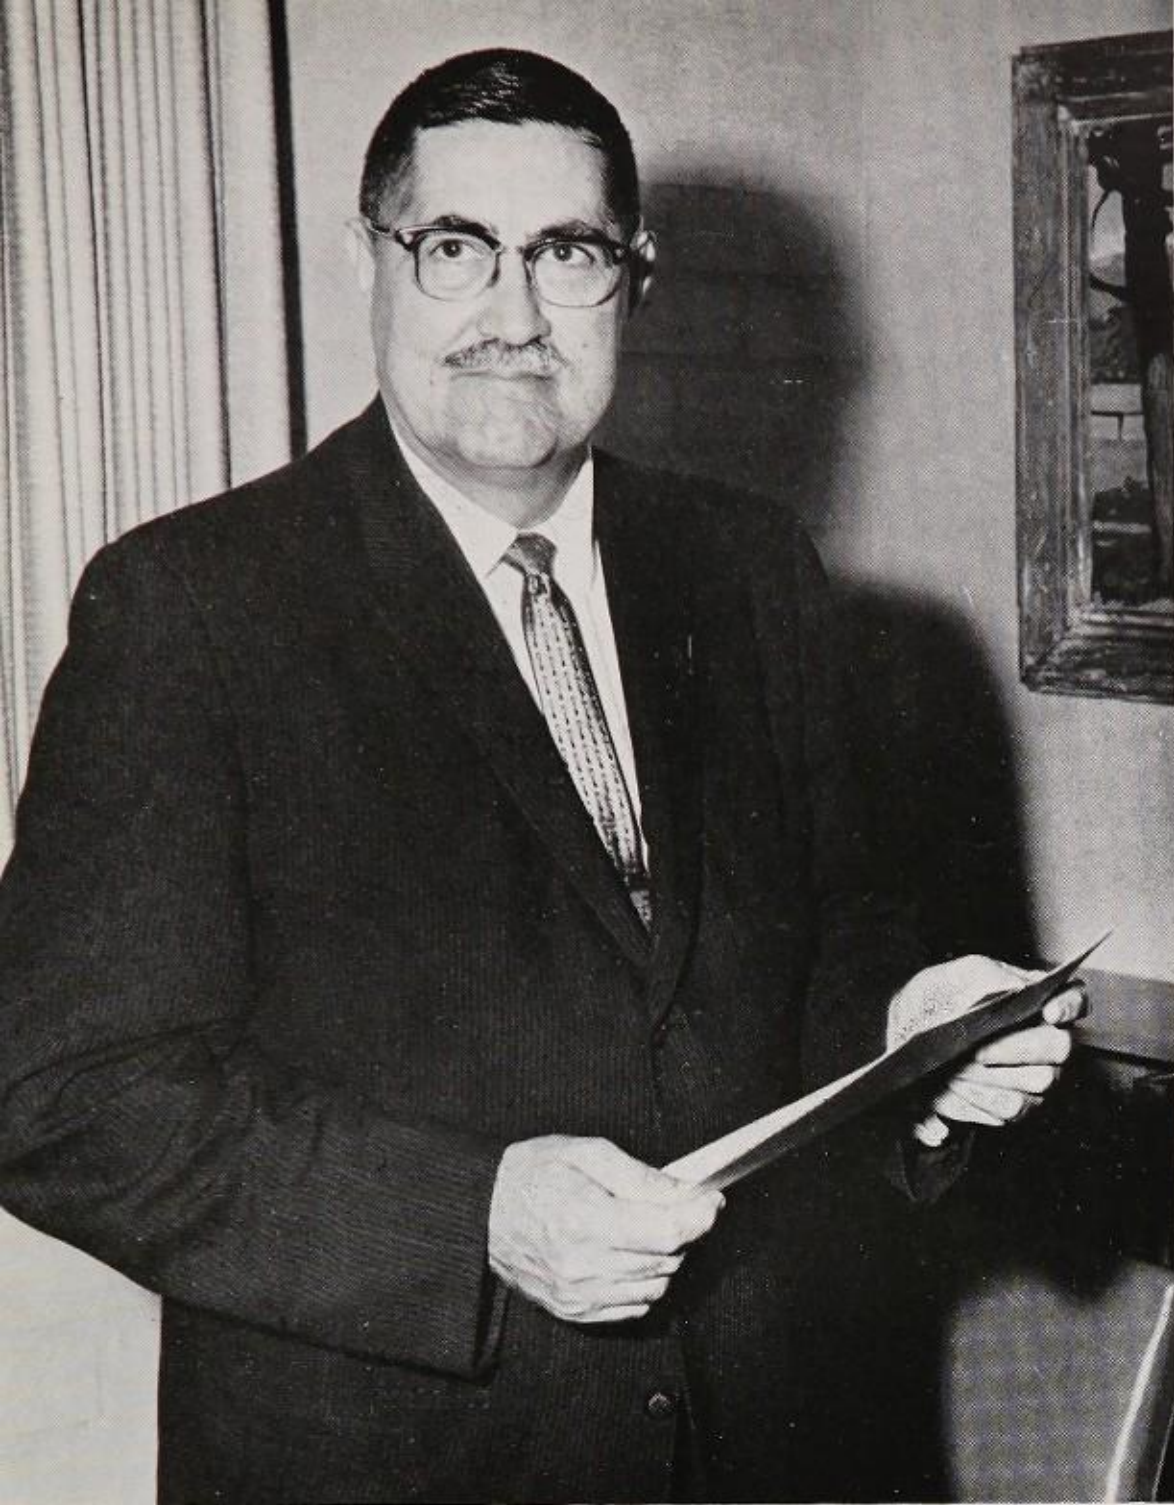

Considered one of the leading educational administrators in the State of California, he established a unique record in educational circles, in as much as he served the local district as its administrator for eighteen years.

Of the community projects with which he was connected, one of the most outstanding is the Hawthorne Youth Camp.

The teenagers of the area remember him more as one of the men behind the Club Gunga Din, on whose board he was an active member.

It is impossible to list all of the contributions of these men to the betterment of the community. Their achievements, however, are to be seen everywhere; and they will remain as permanent reminders of the men whose memory will always be an inspiration to those who knew them.

# Our Energetic Administrators,

The central figure in our district is Dr. Jefferson L. Garner, who seems to handle simultaneously and with ease the many taxing problems of policy, decision, planning, and public relations that characterize the complex world of school administration. And yet, amid all the pressure of his demanding duties, Dr. Garner is always able to find time for the personal touch, that rare quality which inspires loyalty and marks the difference between the merely efficient administrator and the outstanding leader.

Dr. W. R. McDonald, our district's Assistant Superintendent, is an indispensable man on our board. Countless decisions and details are handled daily by his office, making the district's administration one of the most efficient.

By the smiles on Dr. Garner's and Mr. Nyman's faces, it is evident that all is well on the H.H.S. Campus.

# Hardworking Board

In the American concept of education, it is the local Board of Trustees which serves to guide the school district toward a progressively improving and forward-looking program. In the Centinela Valley, our school board performs quietly and intelligently this important duty, and these gentlemen who have dedicated their energies to serving the community so importantly, work tirelessly toward ever-increasing excellence in our educational standards.

← Mike Frazer

Mr. Wallace Nyman, the best known man about campus, has held his office since carpenters put bricks, steel, and wood together to produce the campus on which we stand. It can be said that he is truly the students' friend. We appreciate him and all he has done for us.

## Our Leader, Mr. Nyman

No one can say Mr. Nyman isn't interested in the problems of the students. At left he talks with Ruth Beltran and Penny Prouty. Right, he talks with Dr. Garner and Ase Christiansen.

Sorely missed on the Hawthorne Campus this year has been Mr. E. R. Harvey. Mr. Harvey left us last October to serve our country as a Lt. Commander in the Naval Air Corps.

Mr. Harvey has been missed by the students who were in his classes. It is hoped that he will be able to return next year to resume his position in the Math Department.

"The time has come for us to part." The Class of 1962 is now bidding the H.H.S. campus farewell.

To those who knew them well it will be a challenge to fill the station that they have honored for the past year.

To many of them it will mean college and prominent futures. To others it will mean careers and marriage.

Memories return on this happy day, 'Senior Square, Ditch Day, the Prom, the games, rallies, sales', and all the other things that made their last year here at Hawthorne complete.

Good-by and good luck to the graduating class of 1962.

Linda McVeigh  
Junior Class President  
First Semester

Eager to cheer for the home team, the Junior's entered Hawthorne this year full of spirit and pep. They danced to the theme of "Tinsel Time Ball," and wore the rings that identified their class. The year advanced and their colors were picked. The time came for the Prom and they went, ending a fun filled year in high style.

## Sophomore Class

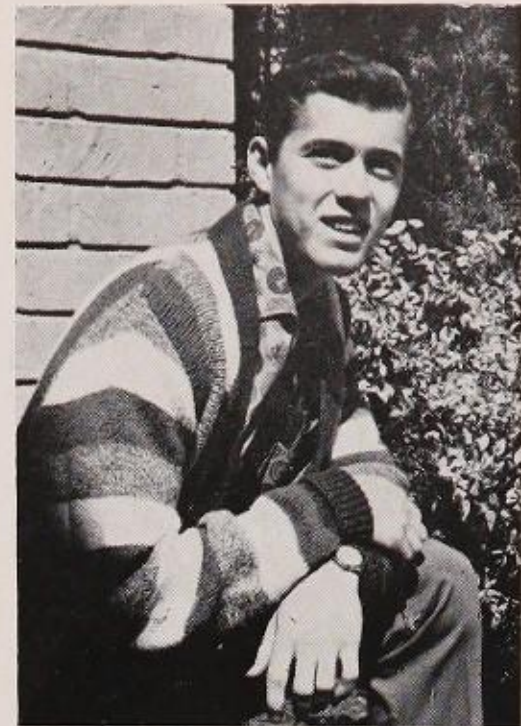

Ginger Haller, Historian; Lynn Hallaway, Vice President; Ja'nice Hahn, President; Melodee Berry, Secretary; Janet Myers, Treasurer.

The Class of 1964 is proudly disembarking on one of the most important trips of their lives. They are leaving their place as underclassmen to journey to the remote upper stations.

Behind them, they will leave the sales, the Backwards Dance and everything else that connected them with the underclasses. Their princess Carolyn McGrew proudly sat beside the others of royalty while her class honored her.

Now they will meet new challenges and have experiences which they will never forget. There are still sales and dances ahead, but less time, in which to enjoy them.

The frosh class of '65 has had a busy year at H.H.S. The first year is always the worst. It takes practically everything you have to adjust to the social and class routines.

Clubs and student government are new to them, and they took advantage of their new freedoms.

They enjoyed the rallies, plays, and elections. They stood by and watched with pleasure as Yola Rocca was named the freshman princess, and they proudly participated in the sales that made their treasury one of the most outstanding in the school.

## SENATE

"Mr. President, I move . . ."

Complying with **Robert's Rules of Order**, and making important decisions were everyday occurrences to your Student Body Officers. Daily, they met, planned and worked, not only to solve present problems concerning academic, athletic, and social activities, but to lay a foundation for an even better representative in the years to come.

Working together under Ron Petch and Jim Reale, Student Body Presidents, and Mr. Means, our advisor, the officers themselves put their plans and ideas into action. Why? For you—because you are a most important person to our senate.

Serving as a moderator for the students and the Senate, the Representatives help solve the many troubling difficulties of the campus.

The problems received from the students are thoroughly discussed and every aspect is carefully investigated. Each member is carefully selected in order to provide the students with an efficient body of legislators and to provide a truly democratic form of student government. In this way, no complaint of the student is overlooked, and the government is placed in the hands of the student themselves.

There is no more important activity in the land than the promotion of international goodwill. The school's chapter of The American Field Service dedicates itself to this uniquely important service through its general desire to foster amity among nations and its very practical contributions toward the foreign student program, a source of great pride to all members of Hawthorne High.

The members of this club have one thing in common — they share an interest in science. They take an active part in making the Annual Science Fair of Hawthorne High School a success. As part of the qualifications for membership, each person must be enrolled in a science class, and conduct a research project of his own.

On Stage everyone! Quiet! Curtain going up! These are familiar off-stage comments heard by the Hawthorne Thespians, Troup 830. Thespian membership is gained by earning 10 points for activities concerning plays or by receiving a best actor, actress, supporting actor, actress awards.

"**Candid Campus!**" These words echoed through-out Room 19-5 for nearly eight months. During these months reams of paper were used, scores of lead diminished and brain power has been used.

Our theme throughout is Candid Campus. The staff has worked long hours to meet the deadline. They gave up their own time and pleasure in order to produce a successful and distinctive Annual, capable of fulfilling one purpose — recalling memories of the past year. We feel this year's **EL MOLINO** has met its requirements and we offer it to you — the Student Body of Hawthorne High School.

The Junior Class sold Christmas bulbs with the couples' names to help remind them of a never-to-be forgotten evening.

Our annual Christmas Dance was a big success. The boy's gym was decorated with tinsel, soft blue lights, and a 30-foot Christmas tree.

# Pep Week Hits H. H. S.

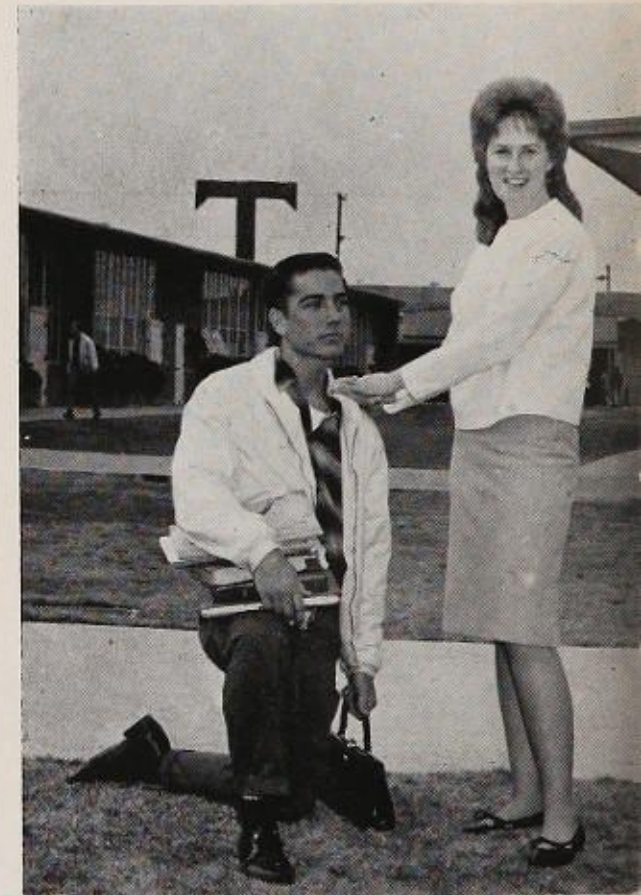

Hat Day saw many Cougars adorned with anything from Mexican "sombreros" to army helmets, with a few variations, as shown by these students.

"O scarlet and gold," were the sounds heard from Ruth Beltran and Terry Stapp as they learned of their selection as "Mr. and Mrs. Spirit."

Below, Bill Ward says to himself, "It's a woman's world," as Linda Thompson commands him to carry her books on Slave Day.

Going to a funeral? No, just to class to get our report cards. That is reason enough to dress accordingly on Black Friday.

Down with prohibition! That was a common sign seen around campus on Class Day as the seniors were clad to the theme of the roaring 20's. The juniors became beatniks, sophomores went Hawaiian, and freshmen the traditional babies.

"I now pronounce you man and wife," declares Stage Manager Bill Steinert, in a very touching scene from this year's senior play.

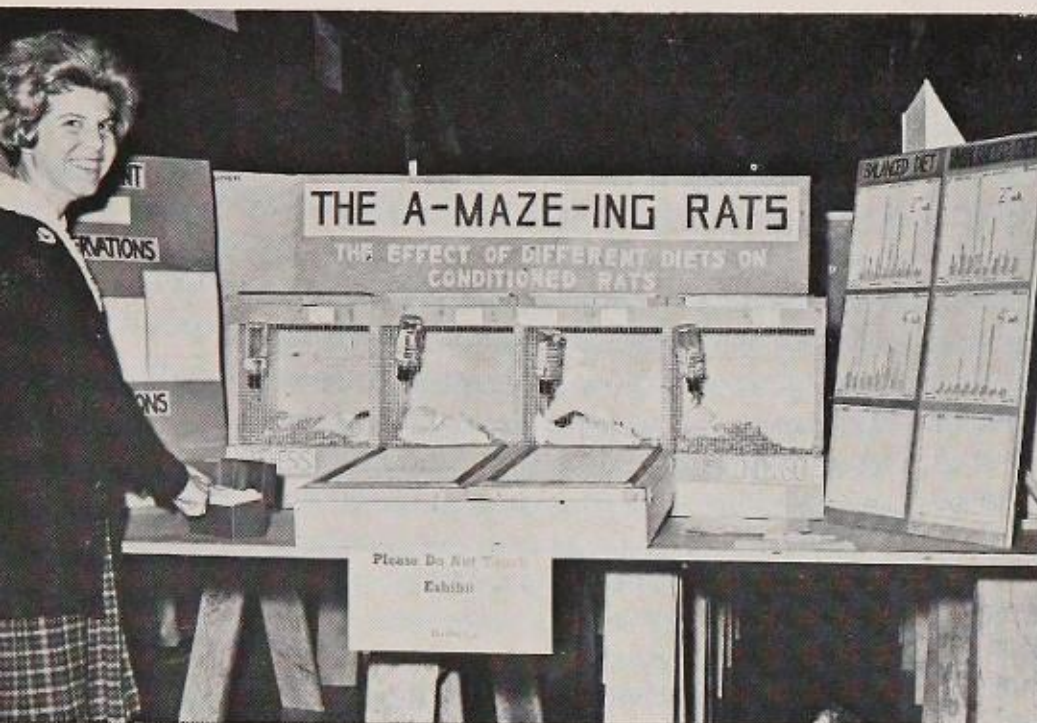

"O mama, just for once look at me as though you really saw me," cries Emily, who has come back from death to look at life on earth for the last time.

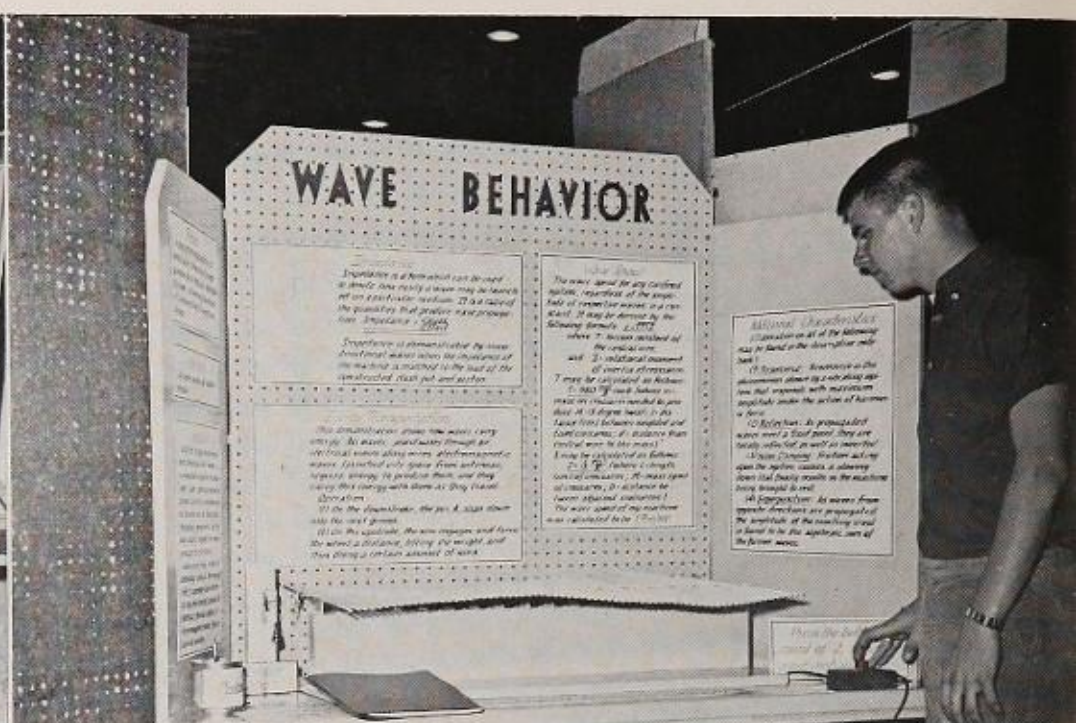

Smile! The expressive faces in this group portrait seem to reflect the true personalities of the characters comprising the Webb and Gibbs families.

# Cougar Creativity...

Second place in the Biology division went to Cheryl Mercurio. Does her project perhaps reflect on some of the girls today?

Jack Munson won first place in Physics. His project concerned wave behavior, pertaining to energy transportation and wave speed.

When it comes to hormones and plant growth, just ask Renee Bilbrey about her plants X, Y, and Z. She has just won third place in the Junior Division.

As a result of hard study and research in the field of biology, sophomore Harold Lafferty was awarded the Grand Prize in H.H.H.'s annual science fair.

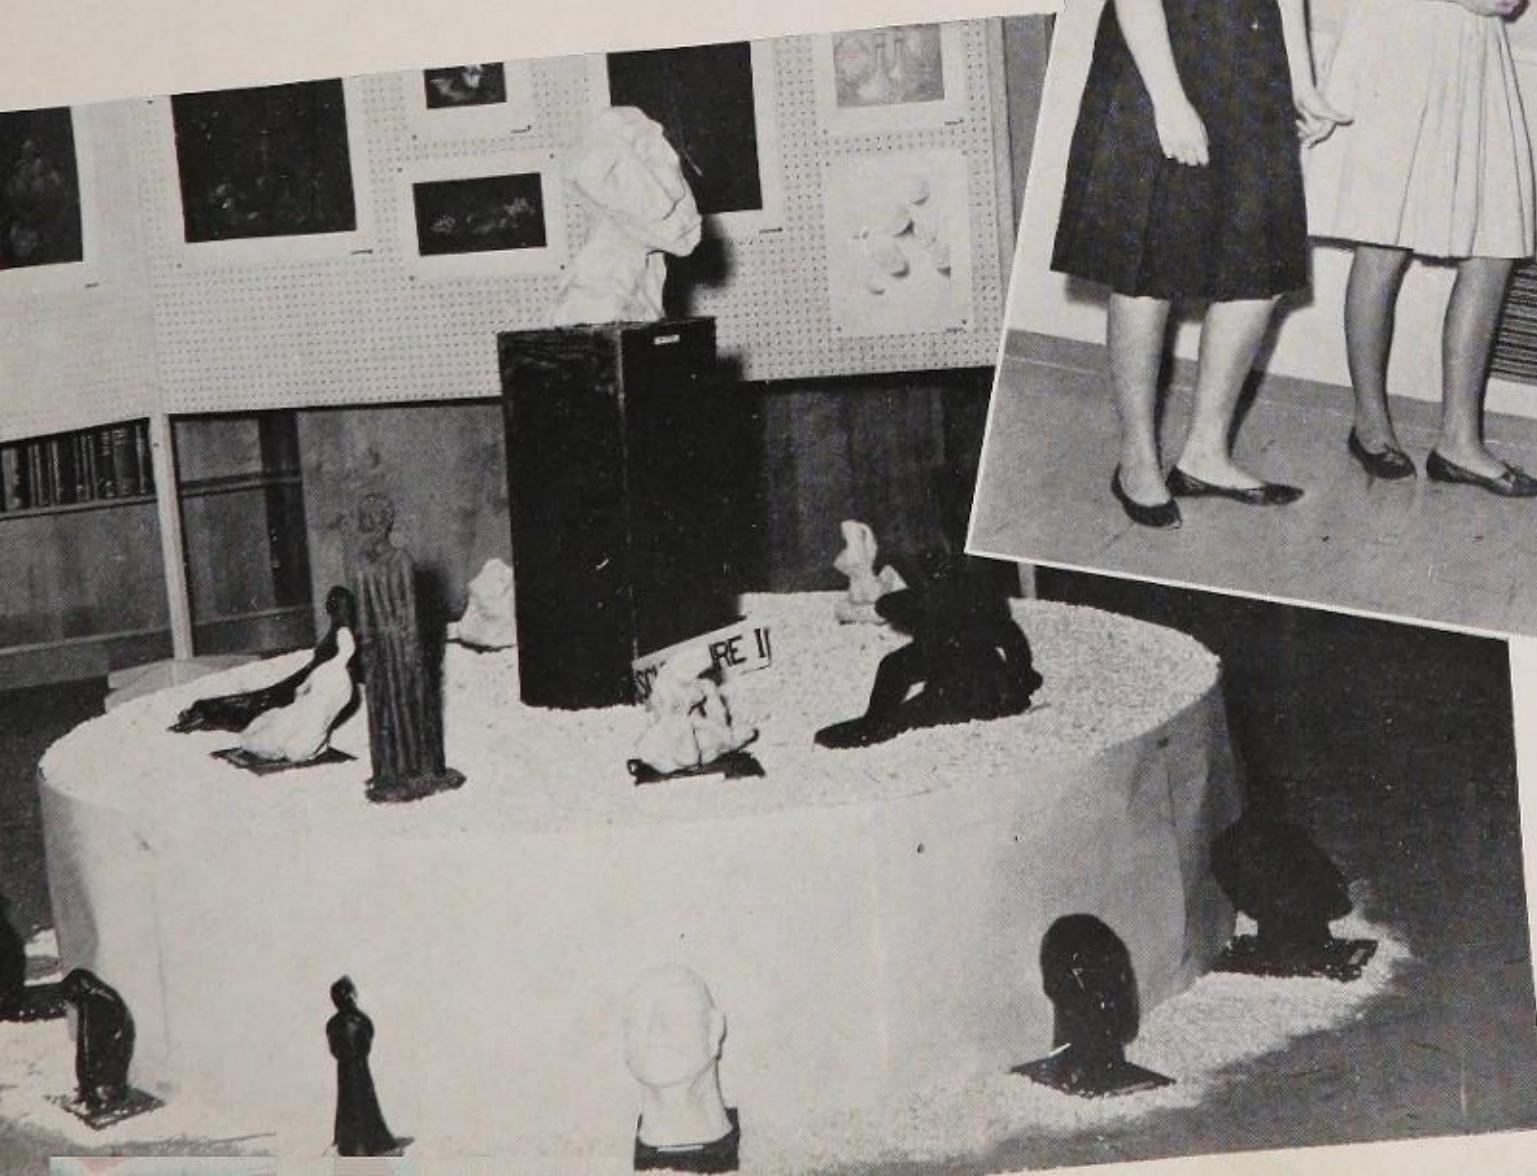

# ... And Culture

This painting, created by senior, Les Johnson, won a gold key at the Bullocks Art Show downtown. It was also shown on display at the annual HHS exhibit. The scene depicts a street surrounded by modern buildings.

Four young artists who were also awarded prizes for their work are; (l. to r.) Robin Hayes, Karen Krapf, Donna Johnson, and Diane Emerson.

Sculpture I, a new class on campus this year, submitted some of its creative work to interest others who have sculpturing ability.

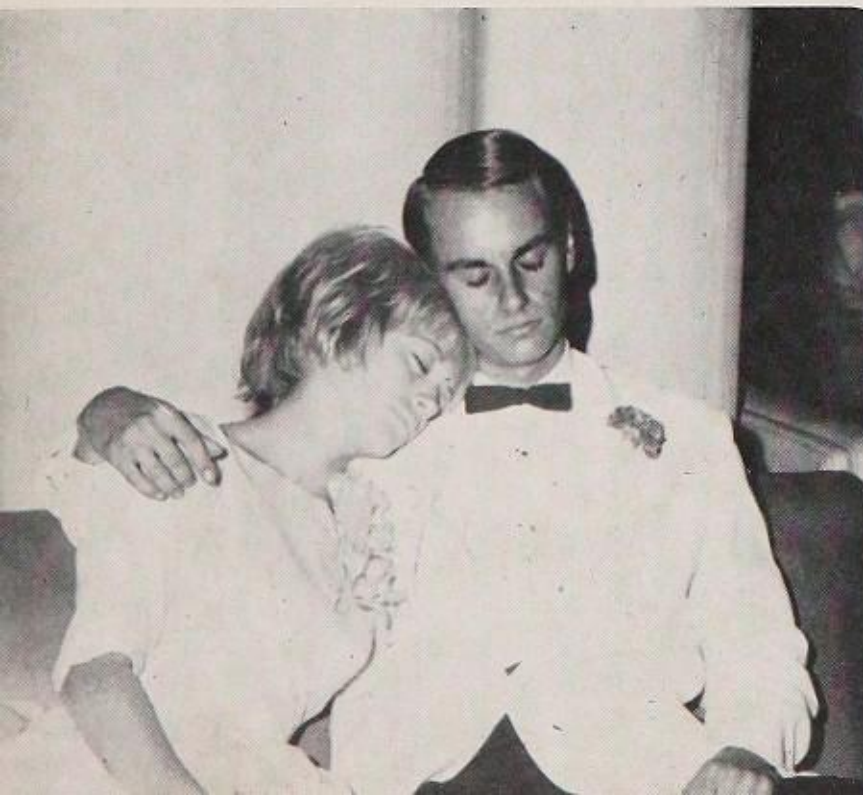

Queen Marsha Podvolecky and Mr. Nyman look on as Senior Class President, Judie Nolan crowns John Connoy, King of the prom.

## Pocketsfull . . .

The night wouldn't be complete without refreshments. Cokes and peanuts were served to help make the night a big success.

It looks like Sandy Nelson's music was too dreamy for Tom Tilford and his date. Sweet dreams!

The Prom is a special event and the only opportunity for the couples to move in time to the music of the famous "Sandy Nelson" and his band.

## ...of Moonglow

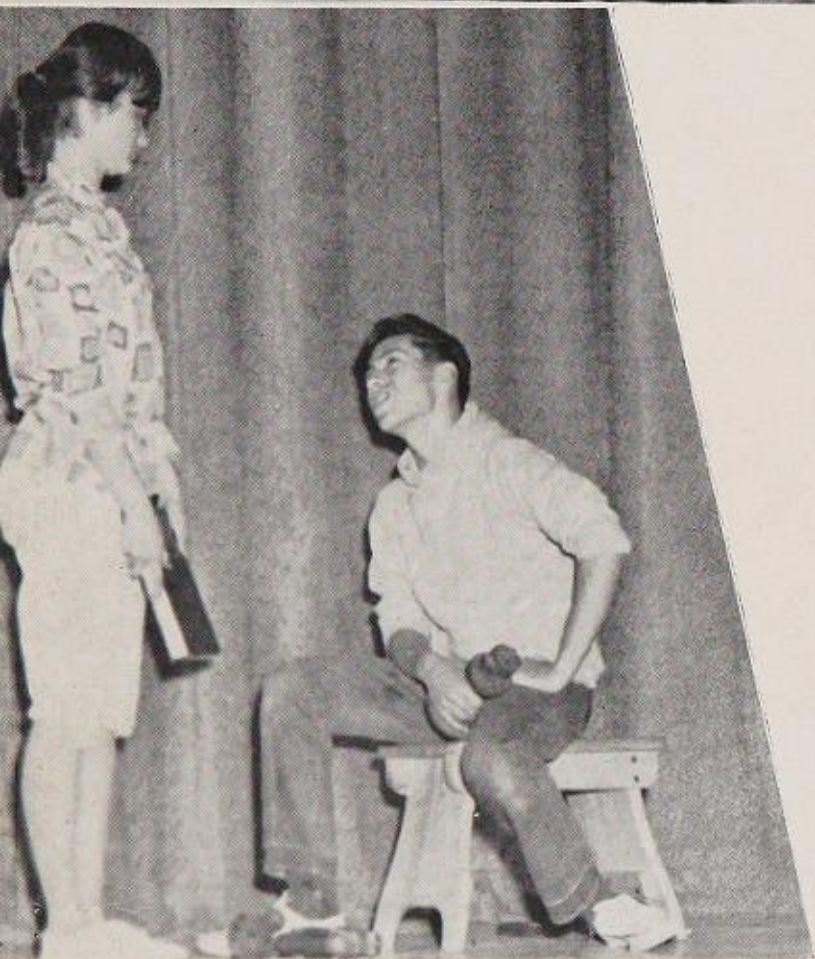

Couples attending the Junior-Senior Prom, held at the Hollywood Turf Club, dance and have a delightful time. The girls and boys at Hawthorne get a real pleasure out of really doing this night up right.

"Pull, harder" are the shouts heard from both sides of this group attending the yearly Founder's Day picnic. Other activities included potato-sack races, and pie-eating contest.

"Why don't you get lost," shouts Chester, as Paula, who has an everlasting crush on him, tries to convince her hot-rod hero that she knows something about cars, too!

"Idaho, Idaho" is the last chorus heard by the entire cast as the curtains are about to close. Below, Benson and Elvira Hart sing together dreamily of a trip to Hawaii.

As Irene Jonas and Gloria Flick rehearse for a program, they wear the expression of a true dancer upon their faces. It is evident, also, that they have learned to use the pony tail as an asset to their dance.

With the greatest of ease, Janet Runn executes a beautiful leap. This is only one of the many skills taught in dance.

"Like a dancer," is one phrase that Cheri DeLuca, Linda McDowell, and Sandy Tully have heard Mrs. Cable utter several times during their three years in modern dance.

"Legs straight, toes pointed," dictates Susan Lively, organizer and choreographer of "Kaleidoscope." This dance consisted mainly of leg movements and was very impressive with lighting.

## The Many Moods of Dance...

Senior Sharon Jokela and H.H.S. alumni Les Basis starred in "Medea," the highlight of the annual Dance Concert. Created and choreographed entirely by Miss Jokela, "Medea" was a magnificent example of dance in story form.

Karen Weidenbener, Janet Runn, Joan Munn, and Sharon Woods are four very excellent and active dancers who have contributed a great deal to the good reputation that H.H.S. enjoys in the field of Modern Dance, under the direction of Mrs. Cable.

Just look at the boys' smiles and you can tell the tab is on the girls tonight. But it's all in fun at the "Hawaiian Splendor" Backwards Dance.

## Evolve into Pleasure

Although the night has almost ended, the boys and their dates will no doubt enjoy a meal out. But of course it's on the girls.

"I could have twisted all night." The tune has changed a little with time, but it still holds the same meaning for young couples.

# For the Big Games

The hard fighting Cougars had a highly prosperous and promising season, only losing one game to North High and tying Inglewood. Throughout the season the Cougars were a big threat and in great cointension of taking all League Honors.

The season opener found the Cougars on the road to a never forgotten year by defeating the El Segundo Eagles 47 to 18. The game with Redondo was the beginning of our season. This was a one sided 31 to 0 triumph for the Cougars with Gene Fay showing brilliant running. South Torrance was over powered as the Cougars handed them a 42 to 20 defeat. Gene Fay and Jim Reale shared in the

glory. The Inglewood contest proved to be a trying duel as the Sentinals held on for dear life to give the Cougars a 21 to 21 stand still. This hard fought game was a battle in the air with Quarterback, Bill Daquila, passing for a total of 185 yards. HAWTHORNE handed hapless Leuzinger a 41 to 0 defeat making it 2 years in a row Leuzinger has failed to score against HAWTHORNE. The remarkable running and blocking of the Cougars sent the Mira Costa Mustangs to the showers with glume faces while HAWTHORNE shouted the 27 to 6 conquest. North High stunned the Cougars with a 13 to 0 defeat. The final game with Morningside was one which was won with honor. The Cougars gave an all out team effort for the last game of the season by defeating the Monarchs 27 to 0. Everyone played an outstanding game.

## Of Our Football Team

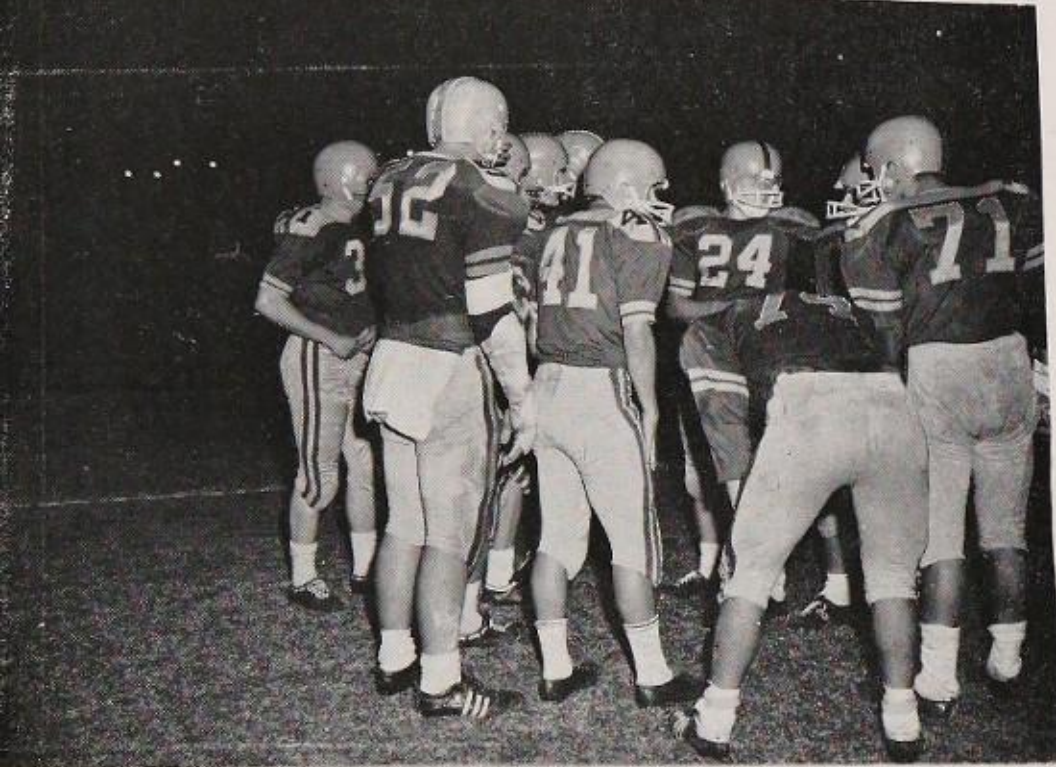

With the aid of Reale, Daquila is able to execute his pass. Mykkanen's terrific catch enables him to score for HAWTHORNE against Inglewood.

Reale runs into trouble as he tries for 6, at the Mira Costa game.

The team makes a huddle to go over some strategy in order to secure our lead over South.

## To Prove the Game

Mykkanen carries the ball over the line to give HAWTHORNE another 6.

Hawthorne's 1962 track season was one of the most successful in its history. Highlight of the season was the second place finish in the Bay League Finals. New varsity records were set by Mike Kelly in the 440 :51.1 and Dan Dye in the shot put 59' 5". Emmich, Smith, Kelly, and Reale set up a new 880 relay record 1:32.1. At press time Reale, Kelly, Dye, Mitchell, Bickers, Franzen were carrying the Cougar banner to the CIF prelim. In the B division, Paul Mackie in the 1320 3:19.7 and Lyn Acord in the 70 HH :9.5 were new record holders. C record breakers were Ron Reinholdson, 660 1:30.0 and Ed Ramirez, 1320 3:26.5. The varsity also captured third at the Mira Costa Relays and fourth at the Inglewood Relays. During the season the Cougars broke a total of 11 school relay records.

## And Future Fin-ishers

The Water Polo Teams had one of their most successful seasons this year, as the Varsity took 3rd, the "B" 5th, and the "C" 4th. The opening game with Redondo looked as though the Varsity had been waiting all year long for revenge as they drowned the Sea Hawks 13 to 0. The "B" and "C" both lost by a hard fought 1 point. The Mira Costa game was surprising as the Mustangs defeated each team by a couple of points. The Inglewood contest was again a sad deal for the Cougars as the Varsity and "B" lost, but the "C" paddlers won by a decisive score. Although Santa Monica defeated our "B" and "C" in a real battle, our Varsity fought back to send them to the showers with a defeat. The Cougars "B" and "C" teams defeated Morningside by an overwhelming score, but the Varsity lost in a real rough and tough fought game. The final game with Leuzinger was a one sided contest in each division, as the Cougars romped the Olympians in the last season game.

Coach Jones gets a well deserved dunking.

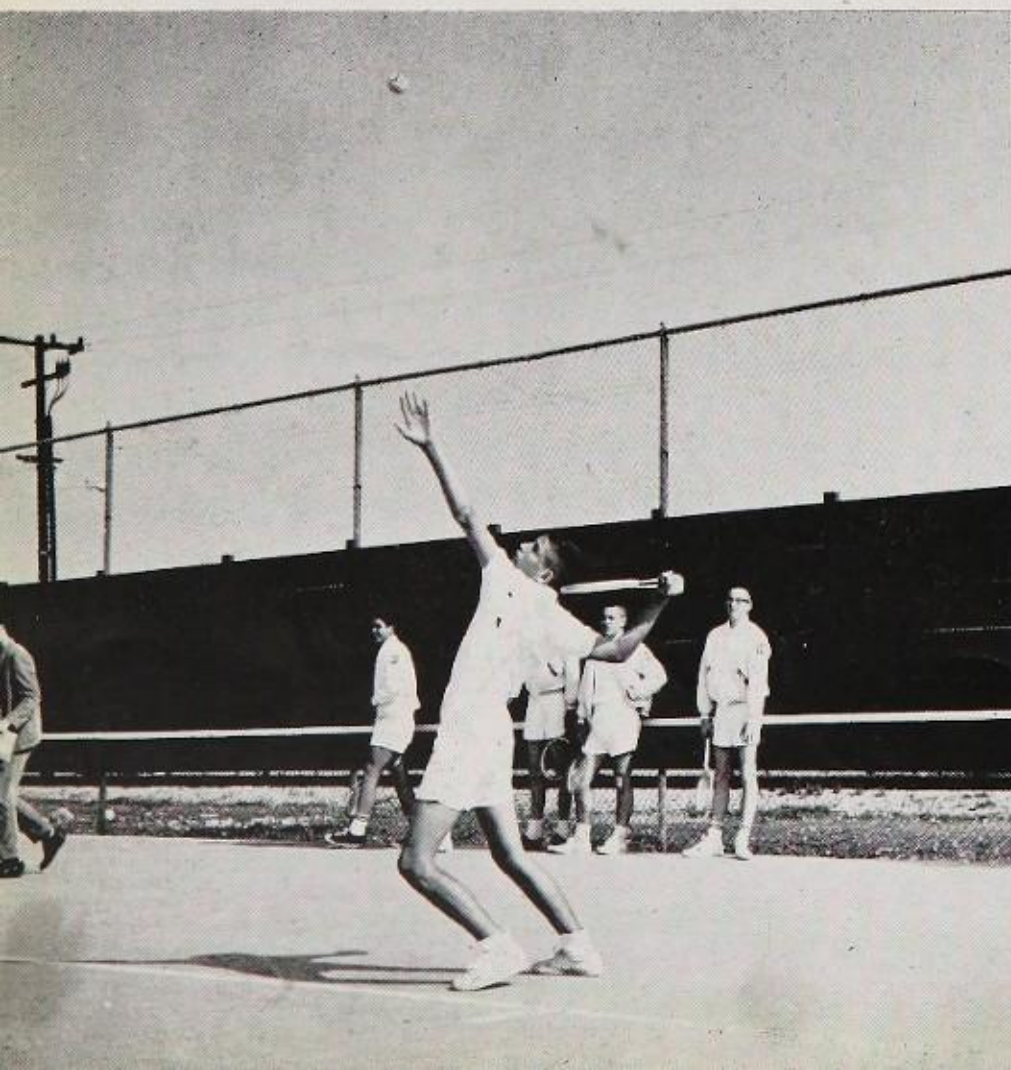

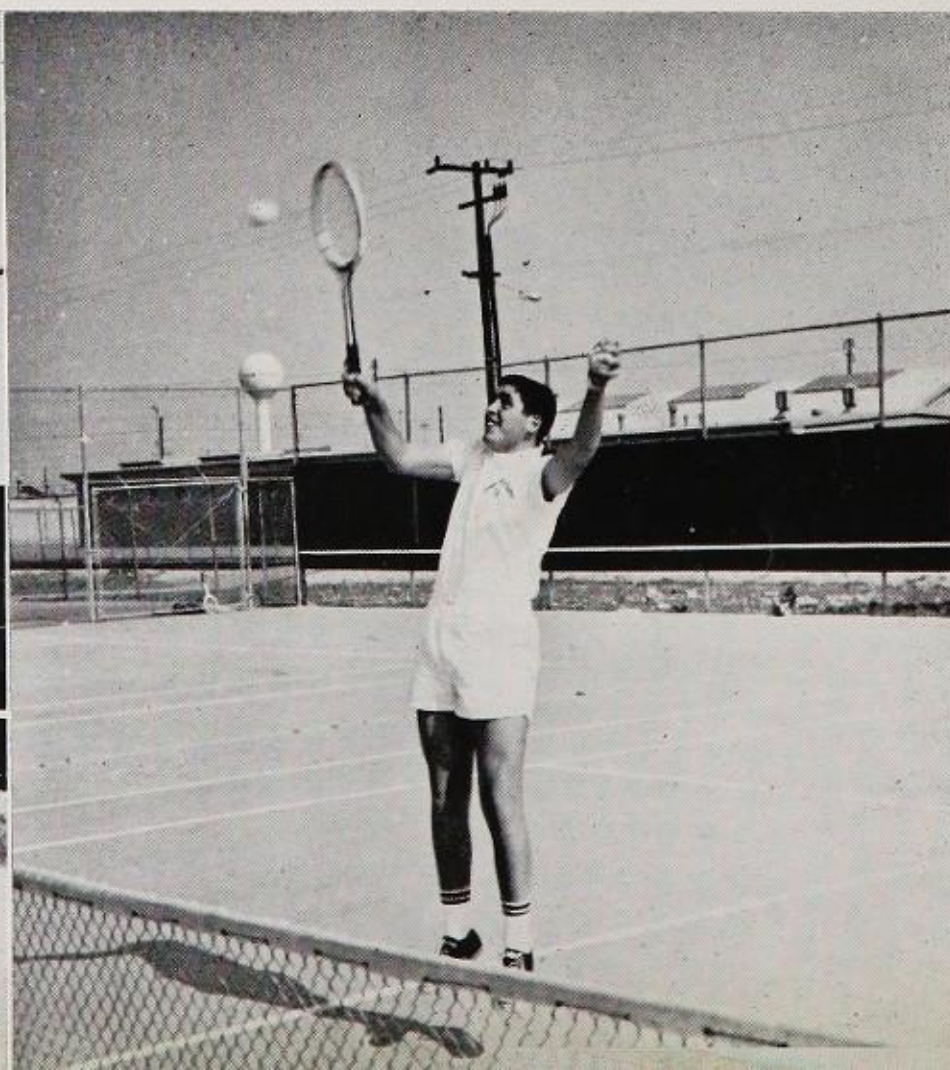

**TENNIS TEAM:** Row 1—Wayne Young, Wayne Bryon, George Flesh, Russ Tomanek, Louis Reissig, Jerry Patchin, George Dickey, Tom Stewart, Gil Hinojosa, James Jones. # Girls in Action

Learning basketball tactics is an important step in basketball progress.

It's a high fly to center field, but don't throw the bat too far.

Having a volleyball net in the middle of the basketball court sometimes interferes with the game.
